

- **WHO ARE WE:**
 - Group of cycling enthusiasts from the community. The group is looking to improve the cycling experience in the City of Sun Prairie for the community and nearby communities
- **PROPOSAL:**
 - To obtain permission to build a trail system in Sheehan Park. Strictly contained in the wooded areas of the park
- **TRAIL BUILDING:**
 - Trail design will be handled by a professional trail builder while all the building will be done by volunteers with guidance from Capital Off Road Pathfinders (CORP) following strict trail building guidelines.
- **COST:**
 - \$0 cost to the City of Sun Prairie
- **COMMUNITY USES:**
 - Anyone in the community can use it for cycling, walking, running and snow shoeing
- **MAINTENANCE:**
 - CORP will maintain the trails for at least 5 years at no cost to the city
- **GROUPS:**
 - CORP, Sun Prairie Youth Cycling Team, Sun Prairie High School Mountain Bike Team and local residents.

Conceptual Trail Map

Additional Information:

- Practice facility for the 35+ kids on the local cycling team
- SP middle schools have a bike unit could use them for field trip once bike unit is completed
- 4 miles of trails = potential to host a race to bring team from all over the state
- Beginner level trails (no ramps, jumps or big obstacles)
- Build to suit the entire community
- Little to no affect to the current vegetation
