

Become a League (of American Bicyclists) Certified Instructor (LCI)

WHAT'S A LEAGUE CYCLING INSTRUCTOR?

League Cycling Instructors (LCIs) are ambassadors for better biking through education. After earning certification through a 3-day, League Coach-led seminar, LCIs teach Smart Cycling classes to children as well as adults. Their goal is to help people feel more secure about getting on a bike, to create a mindset that bikes are treated as a vehicle, and to ensure that people on bikes know how to ride safely and legally.

ARE YOU A GOOD CANDIDATE TO BECOME A LEAGUE CYCLING INSTRUCTOR?

Successful candidates will have a strong working knowledge of bikes and bike maintenance and a great deal of experience riding in high traffic scenarios. Successful candidates also have strong core values aligned with philosophies of the League, including helmet use, bicycling infrastructure, and full incorporation of the idea that all people who ride bicycles are equal cyclists, regardless of political affiliation, race, gender, age or religion and that all students deserve respectful, polite and meaningful instruction.

Madison WI 2020 LCI Seminar
April 17, 2020 5:00 PM - April 19, 2020 3:00 PM

Class hours:

Friday: 5:00 PM - 9:00 PM
Saturday: 8:00 AM – 9:00 PM
Sunday: 8:00 AM – 3:00 PM

THE LCI SEMINAR

This is an intense 3-day seminar and will require about 3 hours of preparation prior to the course. The LCI training seminar focuses on teaching and demonstration techniques used with future students both on the road and in the classroom. The seminar emphasis is on how to teach bicycle safety and skills so as to provide increased comfort and confidence for new and returning bicyclists and youth.

The seminar does not emphasize the content or specific details of the cycling course curricula. It is primarily about teaching, and each candidate will have opportunities during the seminar to practice facilitating parts of the Smart Cycling curriculum, both in the classroom and in the parking lot. The seminar is normally one evening and two full days. Generally, 1/3 of the time is on-bike, so students should be prepared to ride. All candidates must attend the entire seminar.

Candidates must successfully complete the Smart Cycling Class before attending the LCI Seminar.

The Smart Cycling class will be held in Madison on Saturday, March 21, 2020. Contact John Rider for registration info: jrider@tds.net

Registration does not guarantee certification, but everyone comes away with increased knowledge of bicycle safety instruction and will eventually be certified if you put in the effort and time.

Registration price: **\$350**

Late registration: **\$425.00 beginning March 21, 2020**

Registration closes: **March 27, 2020**
